

REGISTRATION INFORMATION

TO QUALIFY FOR A NATIONAL CUB SCOUT CAMPING SCHOOL CERTIFICATE, A PARTICIPANT MUST:

- BE 21 YEARS OF AGE
- REGISTERED AS A MEMBER OF THE BOY SCOUTS OF AMERICA
- BE PRESENT FOR THE ENTIRE PERIOD OF CAMP SCHOOL
- PARTICIPANTS WILL BE CERTIFIED ONLY IN THE SECTION IN WHICH THEY ARE ENROLLED

Application Process:

1. Camp School application is completed by the local council and signed by the Scout Executive or someone he assigns.
2. Check the proper box for the section they will be attending.
3. Be sure the name is how the individual wants it to appear on the certificate and roster.
4. Double check spelling. It's embarrassing when your council can not spell their name correctly. Type or print application to ensure that it is legible.
5. Fax or mail application to the Northeast Region (fax number (609) 655-3699) as early as possible.
6. NO John Doe reservations.
7. Determine if early arrival (Tuesday) is required because of distance. If a participant cannot arrive before 12:00 A.M., please plan to stay at a nearby motel and finish travel on Wednesday morning.
8. Be sure applicant will be able to arrive prior to the starting time and able to remain until the closing time.
Note: **9:00 A.M. WEDNESDAY OPENING UNTIL 11:30 A.M. FRIDAY CLOSING.**
9. Council forwards check two weeks before opening day of school.
10. All cancellations must be made in writing (mailed, faxed or e-mailed) at least one week in advance to the Northeast Region. Anytime thereafter the individual will be billed for the full fee of the camp school.
11. The Northeast Region will mail information to participants as soon as the application is received.
Note: Councils have the full responsibility for providing all information to participants registered 10 days or less before the school due to the inadequate time for the Region to mail information to participants.

In compliance with the Americans with Disabilities Act, the BSA will make all reasonable efforts to accommodate persons with disabilities at meetings.

Why is Early Registration Important:

Early participant registration allows the following events to happen:

1. Participant has time to receive materials from the Northeast Region; map, what to bring, other information (minimum of 10 days before school).
2. Participant will be listed on the school roster given out to all participants.
3. Participant can be assured of having the necessary course books and support material.
4. Certification card will be on hand for presentation at graduation.
5. Housing arrangements can be assured for all participants. Housing is not unlimited.
6. Decisions on school or section cancellations are made 30 days before the school begins. Your early applications could make the difference between having a school or canceling it.

Travel Arrangements: Participants who must travel long distances may arrange for Tuesday night lodging and Wednesday breakfast at all school locations. Check-in time for early arrivals is 7:30 P.M. to 12:00 A.M. on Tuesday. See application for early arrival fees.

If participants require special needs for housing, religious or diet requirements, please notify the regional office at once at (609) 655-9600.
